Dear Mr Russell,

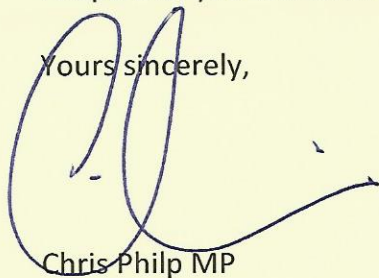

Further to previous correspondence, I am writing to let you know that I have now received a response from Heather Cheesbrough, Director of Planning at Croydon Council regarding the outstanding issues relating to 57 Welcomes Road. I enclose a copy for your information.

I am pleased to see that Ms Cheesbrough has looked into the concerns which you raised and has advised that the Constructions Logistics have yet to be agreed by the Council. In order to assist in informing the Council, Pete Smith would be pleased to meet with you to discuss the issues which have been raised.

I hope that you will hear from Mr Smith shortly and that you will be able to arrange a meeting soon.

I hope that you will find this response helpful.

Yours sincerely,

Chris Philp MP
